

Request for Proposal/Call for Conference Speakers

The Texas State Auditor's Office (SAO) is seeking speakers for the SAO 2026 Audit Conference.

Statement of Need

The purpose of this request for proposal/call for conference speakers is to solicit proposals from qualified training providers who can develop and deliver in-person conference sessions designed to support the skills and knowledge of government audit professionals.

Intended Audience

The State Auditor's Office may provide fee-based audit training courses for state agencies (Internal Auditing Act, Government Code, Sec. 2102.012). Therefore, most of the participants are from state agencies in Texas; however, the conference is open enrollment, so the audience may be varied.

Interested speakers should propose 60-minute sessions. Responses should be audit-related or information technology audit-related and designed to enhance the skills and abilities of government audit professionals at all levels. Topics may include, but are not limited to:

- Audit essentials
- Information technology audit
- Leadership/project management
- Fraud
- Data analysis
- Current trends in audit

Vendors selected must offer conference session in-person on July 29 – 30, 2026 at the Commons Conference Center (formerly the J.J. Pickle Conference Center) at 10100 Burnet Road, Building 137, Austin, Texas.

All proposals must be submitted on the Texas SAO 2026 Audit Conference Bid Form. We cannot consider bids that do not use our form. Submit a separate bid form for each session proposal.
